WINTER 2016–17, SESSION 13

---

We know that it is difficult to always stay in step with the Spirit. We know that we are all prone to harmful attitudes, actions, or decisions. And so we covenant with one another to have grace for each other's failings along the way, and to hold one another accountable to a new and different way of living. We covenant to carry one another's burdens, to speak truthfully and gently to one another, and to nurture the fruit of the Spirit in our own and one another's lives. May Christ give us the wisdom and courage to do so. Amen.
