Writer guidelines

The following describes the manuscript needs of Purpose, a periodical of MennoMedia, an agency of Mennonite Church USA and Mennonite Church Canada.

Purpose needs short, personal true stories (450-700 words) and poems/verse (up to 12 lines). These submissions must meet the monthly themes, as described in the online document, “Purpose monthly themes.”

Purpose is interested in true stories and poetry that

- Illustrate practical ways Christians apply their faith in daily life
- Illustrate biblical understandings that support discipleship living
- Stress loyalty to the church and its peacemaking, missional, and related ministries
- Support Mennonites and other Christians as they participate in and witness to the good news in their local communities
- Inspire interest in diverse cultural and historical expressions worldwide
- Highlight biographical and historical stories of Anabaptist, Mennonite, and other Christian leaders, places, and events

General guidelines

In preparing your manuscript provide your name, postal address, email address, and telephone number in the upper left hand corner.

In the right upper hand corner indicate the number of words or number of lines (if poetry). Also indicate the theme that it is addressing.
